

2018 Annual Report

Dear Friends,

This was another exciting year for the 1776 Foundation. In our first full calendar year of being truly operational we saw amazing results from our programs.

- Our Montana Constitution Project distributed over 4,000 free copies of the Montana Constitution to parents, educators, elected officials and interested citizens all over Montana.
- Our Gadsden Flag license plate continues to be one of the bestselling specialty license plates in Montana.
- We produced several episodes of our Liberty Lessons radio program that were broadcast online and on radio stations throughout Montana.
- Our Grants Program distributed thousands of dollars to more than a half-dozen worthwhile organizations all across Montana.

With another great year in the books we are looking forward to even more opportunities in 2019. We want to say a special thank you to all of those that help support the great work of the Foundation during 2018.

Sincerely,
The 1776 Foundation Board of Directors

1776 Foundation Gadsden Flag LICENSE PLATE

Since January 2017, Montana residents have been able to purchase their very own 1776 Foundation Gadsden Flag license plate when they register a Montana vehicle.

An iconic symbol of the American Revolution, the Gadsden Flag was named for Christopher Gadsden who created it during the American Revolution. Today it has come to symbolize support for liberty and the rugged, independent American spirit. Now you can display this iconic symbol on your Montana vehicle and support the great work of the 1776 Foundation.

During 2018, the plate was one of the bestselling specialty license plates and is now a regular site on cars, trucks, trailers and campers on Montana's highways and byways.

Free Constitution PROJECT

A firm understanding of our Montana Constitution is a foundation each and every Montanan should be equipped with, especially during their formative years.

Unfortunately, most of our public schools do not offer such coursework.

The 1776 Foundation Constitution Project seeks to fill this void by providing free copies of the Montana Constitution for educators, parents and the public.

During 2018, this project produced and distributed over 4,000 free copies of the Montana Constitution to parents, educators, elected officials and interested citizens all over Montana.

LIBERTY LESSONS

The 1776 Foundation's Liberty Lessons are a series of educational radio and video messages designed to give you a deeper understanding of the meaning and history of the Montana and U.S. Constitutions. Each episode is delivered by exciting Montana political, business and community leaders.

Our series now includes episodes focused on: The Electoral College, Separation of Powers and Democracy. These episodes are broadcast online and on radio stations throughout Montana.

GRANTS

Helping out our neighbors and giving back to the community is part of the Montana way of life.

The 1776 Foundation is proud to support like-minded organizations with funding for programs that are in line with our mission.

Our grants program distributed \$4,000 to more than half-dozen worthwhile organizations in 2018 and has now provide over \$7,500 in funding since coming online in Q3 2017.
