**2020 Annual Report**

---

Dear Friends,

Undoubtedly, 2020 was a challenging year for our country, our state and our communities. However, despite the many challenges of 2020, our programs had a tremendous year.

- Our new Bill of Rights Hard Card Project proved wildly popular. This project went live in August and we shipped over 1,500 cards in just the first 5 months.
- Our Montana Constitution Project distributed over 4,000 free copies of the Montana Constitution to parents, educators, elected officials and interested citizens all over Montana.
- Our Grants Program distributed over twenty-thousand dollars to worthwhile organizations all across Montana.
- Our Gadsden Flag license plate continues to be one of the bestselling specialty license plates in Montana. Generating a 20% increase in revenue in 2020.

With another great year in the books we are looking forward to even more opportunities in 2021. We want to say a special thank you to all of those that helped support the great work of the Foundation during 2020.

Sincerely,  
The 1776 Foundation Board of Directors

# ABOUT

the 1776 Foundation

**Scott Aspenlieder**

Based in Billings, Montana the 1776 Foundation is a 501(c)3 non-profit organization, that seeks to improve government and politics by working to inform and equip the people of Montana to better evaluate policy options that uphold traditional American values, historic civil liberties, the Montana Constitution and the Constitution of the United States of America.

**Jake Eaton**

Founded in 2015, the 1776 Foundation works to accomplish our mission through a variety of programming and by supporting other like-minded organizations in Montana.

# PROGRAMS

Gadsden Flag License Plate

Free Constitution Project

Liberty Lessons

Grant Program

Bill of Rights Hard Card

1776 Foundation Gadsden Flag  
**LICENSE PLATE**

Since January 2017, Montana residents have been able to purchase their very own 1776 Foundation Gadsden Flag license plate when they register a Montana vehicle.

An iconic symbol of the American Revolution, the Gadsden Flag was named for Christopher Gadsden who created it during the American Revolution. Today it has come to symbolize support for liberty and the rugged, independent American spirit. Now you can display this iconic symbol on your Montana vehicle and support the great work of the 1776 Foundation.

During 2020, the plate was once again one of the bestselling specialty license plates and is now a regular site on thousands of cars, trucks, trailers and campers on Montana's highways and byways.

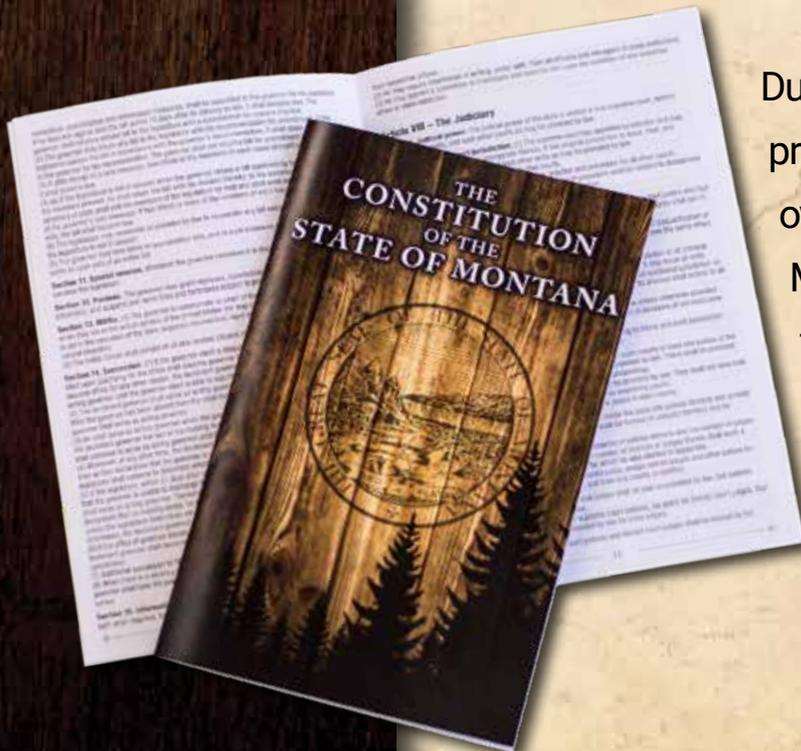

# Free Constitution **PROJECT**

A firm understanding of our Montana Constitution is a foundation each and every Montanan should be equipped with, especially during their formative years.

Unfortunately, most of our public schools do not offer such coursework.

The 1776 Foundation Constitution Project seeks to fill this void by providing free copies of the Montana Constitution for educators, parents and the public.

During 2020, this project produced and distributed over 4,000 free copies of the Montana Constitution. Since the program's inception back in 2017 we have now distributed over 15,000 free copies to parents, educators, elected officials and interested citizens all over Montana.

# LIBERTY LESSONS

The 1776 Foundation's Liberty Lessons are a series of educational radio and video messages designed to give you a deeper understanding of the meaning and history of the Montana and U.S. Constitutions. Each episode is delivered by exciting Montana political, business and community leaders.

Our series now includes episodes focused on: The Electoral College, Separation of Powers, Democracy and more. These episodes are broadcast online and on radio stations throughout Montana.

# GRANTS

**Helping out our neighbors and giving back to the community is part of the Montana way of life.**

The 1776 Foundation is proud to support like-minded organizations with funding for programs that are in line with our mission.

Our grants program distributed \$22,000 to worthwhile organizations in 2020 and has now provide nearly \$40,000 in funding since coming online in Q3 2017.

# BILL OF RIGHTS

Hard Card

**The first 10 Amendments to the Constitution spell out our most important rights, and now our Bill of Rights Hard Card lets you take your rights with you everywhere you go!**

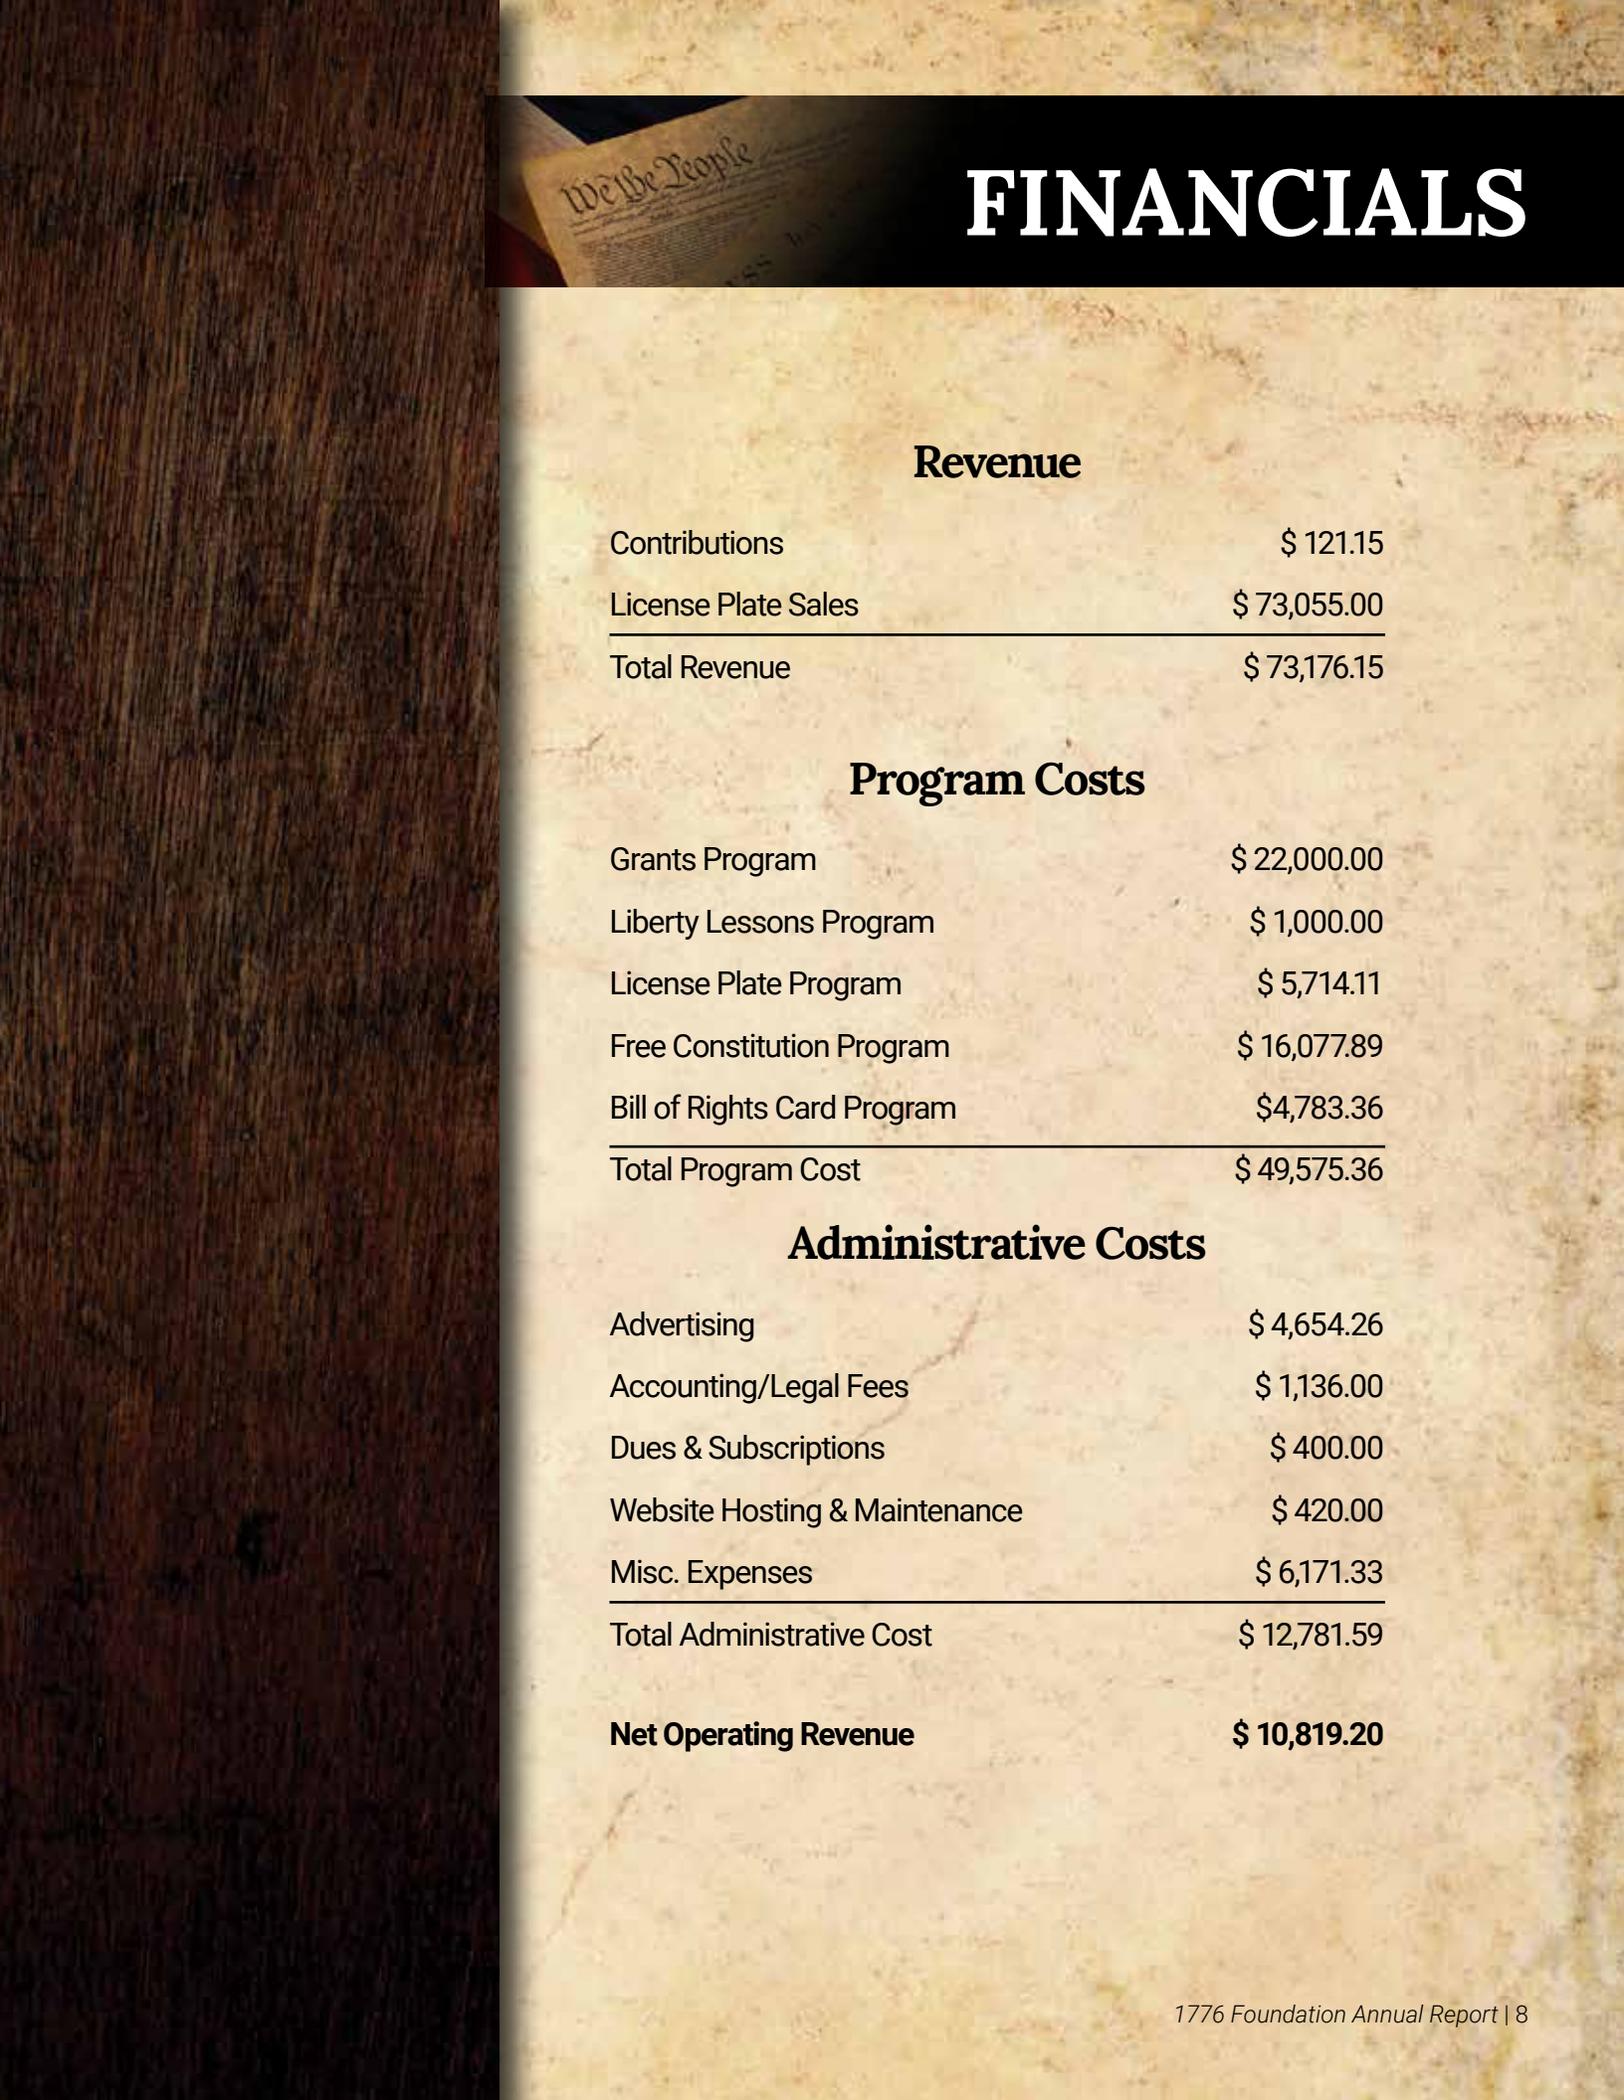

James Madison drafted the amendments that became the Bill of Rights after calls from some states for greater constitutional protections to safeguard individual liberties. The Bill of Rights was ratified by the states in 1791.

The 1776 Foundation’s Bill of Rights Hard Card is a sturdy aluminum card measuring 3.5”x2” –

the same size as a standard business card.

This exciting new project went live in August and we shipped over 1,500 cards in 2020.
